

2018 NEIGHBOURHOOD PLAN CONSULTATION QUESTIONNAIRE AND JANUARY 2019 PUBLIC MEETINGS FEEDBACK- KEY POINTS

VILLAGE AMENITIES

- Car park for village hall
- Walking routes/dog walks +2
- Post office valued but village shop needed *
- Focus on wildlife and its preservation
- Facilities for 7-15 year olds? +3

VILLAGE BUSINESSES

- Lack of shop/Village Hub, run for and by the community +7 *
- What Businesses are there in the Village? – Need to involve local landowners to participate in any NP/CP.

INFRASTRUCTURE ROADS AND HIGHWAYS

- Traffic volume/speeding through village/ignoring crossing +4*
- Speed Cameras? Better signage, speed sensitive traffic lights?
- Heavy goods/wide load traffic- call for a Bypass? *
- Parking capacity and verge parking /Village hall *
- Improved footpaths/Path up Beverley Road
- Better transport links/bus services

INFRASTRUCTURE BUILDINGS

- Future house building- would current infrastructure cope?
- Bungalows v affordable 'Family' builds +3.
- Shop/Community hub +7*
- New village hall +3
- Local base for Dr's surgery +police facility

GENERAL COMMENTS

- **Great village but traffic too busy/heavy ***
- **New village hall to foster community spirit +2***
- **Bypass? +3***
- **Preserve and promote wildlife- bird boxes, wild flower verges, more trees, hedgehog routes. Link footpaths to create circular village walk.**
- **Better use of Village Hall and Reading Rooms.**
- **New steps urgently required +disabled access to railway embankment.**
- **Cant stop change- community must thrive or die- new builds +social housing should be built +new community centre build.**
